

JANE LIN

Seattle, WA | +1 202-555-0147 | jane.lin.test@example.com | <https://www.linkedin.com/in/jane-lin-test>

PROFESSIONAL SUMMARY

Product operations specialist with 6+ years of experience improving SaaS workflows, analytics, and cross-functional delivery. This resume contains fictional data and is intended only for ATS parsing tests.

EXPERIENCE

Northstar Analytics, Inc. - Senior Product Operations Manager | Seattle, WA | March 2022 - Present

- Led quarterly planning across product, engineering, sales, and customer success for a 120-person SaaS organization.
- Built operational dashboards that reduced roadmap reporting time by 35% and improved launch-risk visibility.
- Standardized customer feedback intake and prioritization across five product teams.

Blue Harbor Software - Product Operations Analyst | Portland, OR | July 2019 - February 2022

- Analyzed product usage and support data to identify onboarding friction and retention opportunities.
- Coordinated release readiness, documentation, and stakeholder communications for monthly product launches.
- Created SQL-based reporting used by product leadership for weekly operating reviews.

EDUCATION

University of Washington - Bachelor of Arts in Business Administration | Seattle, WA | June 2019

SKILLS

Product operations, program management, SQL, Excel, Tableau, Jira, Confluence, Salesforce, stakeholder management, process design

CERTIFICATION

Certified Scrum Product Owner (CSPO), Scrum Alliance, 2023
